

TANG DUONG GIA DAT

MOBILE DEVELOPER/ BUSINESS ANALYST

EXECUTIVE PROFILE

I'm a mobile developer and business analyst, now I'm a graduate of information technology. I have the skills your company needs. Along with that, I was an intern at a Software Company with the position of Business Analyst. I have participated and completed the assigned projects well. At the same time, I have personal UX/UI projects that are well-reviewed by my peers.

CAREER GOALS

With the desire to become a professional BA with UI/UX knowledge. I will practice my skills so that I can become a full-fledged BA.
